The Bethel Inn Resort 1913 MAINE

In the heart of "the Greatest Ski Town in the Universe"

-Ski Magazine-

Maine's Beautiful Mountain Village

The town of Bethel is a classic New England community with an energy all it's own. Founded in 1796, the community remains an old-fashioned American village, little disturbed by the frenzied pace of modern life, yet surprisingly sophisticated. The village itself offers a variety of activities including eclectic specialty shops; antique barns; sleigh rides; a first run multiplex movie theater; fine dining and lively bars; and plenty of opportunity for exploring. An indoor rock-climbing wall and a laser tag arena are great for those seeking something a little wilder after a day on the slopes, or you can try your hand at snowtubing or ice skating.

Outside the village there are miles of snowmobile, snowshoe and cross-country trails to roam on; a collection of retail outlet malls within an hour's drive; and creative arts performances just a short drive away. All-in-all, a wonderful chance to get to know the region a little better, up close.

New England's Ski Capital

Bethel is best known for the outstanding downhill skiing at both Sunday River and Mt. Abram ski areas, but did you know that Bethel is also Maine's cross country ski capital? And The Bethel Inn leads the way as one of the state's largest Nordic centers, with 40 kilometers of groomed and marked trails right out our back door. Our fairway trails include mountain vistas and gentle terrain while our forest trails offer challenges for skiers of all levels. Our on-premise Ski Shop offers Nordic skis and winter gear for purchase or rental.

-America's Greatest Resorts Magazine-

The Bethel Inn Resort combines the charm and hospitality of a classic turn-of-the-century New England resort with the most modern guest amenities and recreational facilities. Our resort has been serving the vacationing public since 1913, and has dedicated itself to providing exceptional vacation packages at affordable prices. In fact, Arthur Frommer's Budget Travel magazine has named The Inn as one of America's 10 Best Resort Values.
